GUI of Our Project – EV Charging System

Screenshots:-

The screenshot shows the EV Charging System's dashboard for a user named Saurabh. The top navigation bar includes links for "EV Charge", "Dashboard" (which is active), "Stations", "My Vehicles", "Reservations", "Sessions", "Billing", "Saurabh" (with a "Premium" badge), and "Logout". A green header bar welcomes "Welcome back, Saurabh! ⚡" and indicates "Premium Member". The dashboard features several cards: "My Vehicles" (1 vehicle), "Active Reservations" (3 reservations), "Total Sessions" (6 sessions), and "Energy Used" (78.0 kWh). Below this, a "Quick Actions" section offers "Find Stations", "Book Charging", and "View Bills". At the bottom, summary statistics show "Total Billed" (\$26.97), "Total Paid" (\$26.97), and "Balance Due" (\$0.00).

Total Billed	Total Paid	Balance Due
